PROXY STATEMENT

General Information

These proxy materials are delivered in connection with the solicitation by the Board of Directors of United Bankshares, Inc. (“United,” the “Company,” “we,” or “us”), a West Virginia corporation, of proxies to be voted at our 2008 Annual Meeting of Shareholders and at any adjournment or postponement.

You are invited to attend our Annual Meeting of Shareholders on May 19, 2008, beginning at 4:00 p.m. The Meeting will be held at The Blennerhassett Hotel, 320 Market Street, Parkersburg, West Virginia.

This proxy statement, form of proxy and voting instructions are being mailed on or about April 10, 2008.

VOTING INFORMATION

Shareholders Entitled to Vote

Holders of record of United common shares at the close of business on March 31, 2008, are entitled to receive this notice and to vote their shares at the Annual Meeting. As of that date, there were 43,260,951 common shares outstanding. Each common share is entitled to one vote on each matter properly brought before the Annual Meeting.

Proxies

Shareholders of record may vote their proxies by mail, in person, by telephone or by Internet.

Proxies may be revoked at any time before they are exercised by (1) written notice to the Secretary of the Company, (2) timely delivery of a valid, later-dated proxy or (3) voting at the Annual Meeting.

You may save us the expense of a second mailing by voting promptly. Choose one of the following voting methods to cast your vote.

Vote By Mail

If you choose to vote by mail, simply mark your proxy, date and sign it, and return it to us in the postage-paid envelope provided.

Vote By Telephone or Internet

If you have telephone or Internet access, you may submit your proxy by following the instructions on the proxy card.

Vote at the Annual Meeting

The method by which you vote now will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. **If your shares are held in the name of a bank, broker or other holder of record,**

you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting in accordance with your instructions. If you sign your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

Voting on Other Matters

If any other matters are properly presented for consideration at the Annual Meeting, the persons named in the enclosed form of proxy will have the discretion to vote on those matters for you. On the date this proxy statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

Required Vote and Cumulative Voting

The presence, in person or by proxy, of the holders of a majority of the votes entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker “non-votes” are counted as present and entitled to vote for purposes of determining a quorum. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

A plurality of the votes cast is required for the election of directors. Abstentions and broker “non-votes” are not counted for purposes of the election of directors.

In the election of directors, shareholders cast one (1) vote for each nominee for each share held. However, every shareholder has the right of cumulative voting, in person or by proxy, in the election of directors. Cumulative voting gives each shareholder the right to aggregate all votes which he or she is entitled to cast in the election of directors and to cast all such votes for one candidate or distribute them among as many candidates and in such a manner as the shareholder desires.

At our 2008 Annual Meeting, the number of directors to be elected is thirteen (13). Each shareholder has the right to cast thirteen (13) votes in the election of directors for each share of stock held on the record date. If you wish to exercise, by proxy, your right to cumulative voting in the election of directors, you must provide a proxy showing how your votes are to be distributed among one or more candidates. Unless contrary instructions are given by a shareholder who signs and returns a proxy, all votes for the election of directors represented by such proxy will be divided equally among the thirteen (13) nominees. If cumulative voting is invoked by any shareholder, the vote represented by the proxies delivered pursuant to this solicitation, which does not contain contrary instructions, may be cumulated at the discretion of the Board of Directors of United Bankshares, Inc. in order to elect to the Board of Directors the maximum nominees named in this proxy statement.

With respect to other matters, including the ratification of the selection of Ernst & Young LLP to act as the independent registered public accounting firm for the fiscal year that began January 1, 2008, if a quorum exists, the affirmative vote of a majority of the votes cast is required for approval of such matters. In voting for these matters, shares may be voted “for” or “against” or “abstain”. In determining whether the proposal has received the requisite number of affirmative votes, abstentions and broker “non-votes” will be disregarded and have no effect on the outcome of the vote.

On March 31, 2008, there were 43,260,951 shares of common stock outstanding that are held by approximately 6,752 shareholders of record and 20,506 shareholders in street name. The presence in person or proxy of a majority of the outstanding shares of United Bankshares, Inc. will constitute a quorum at the Meeting.

Cost of Proxy Solicitation

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by telephone, electronic transmission, facsimile transmission or by telegram. Brokers, fiduciaries, custodians and other nominees have been requested to forward solicitation materials to the beneficial owners of the Company's common stock. Upon request we will reimburse these entities for their reasonable expenses.

In order to facilitate and expedite distribution of these proxy solicitation materials to brokers, fiduciaries, custodians, nominee holders and institutional investors, United has retained BNY Mellon Investor Services of Jersey City, New Jersey ("Mellon"). Pursuant to a retention letter dated January 28, 2008, Mellon will contact all broker and other nominee accounts identified on United's shareholder mailing list in order to facilitate determination of the number of sets of proxy materials such accounts require for purposes of forwarding the same to the beneficial owners. Mellon will then assist in the delivery of proxy materials to these accounts for distribution. Mellon will also (i) assist in the distribution of proxy materials to institutional investors, and (ii) follow-up with any brokers, other nominee accounts and institutional investors, requesting return of proxies. United is not retaining Mellon to solicit proxies from registered holders or from non-objecting beneficial owners. Mellon's fee for the above services is \$6,500 plus reasonable disbursements that may include the broker search, printing, postage, courier charges, filing reports, data transmissions and other expenses approved by United.

Delivery of Proxy Materials

To reduce the expenses of delivering duplicate proxy materials to our shareholders, we are relying upon Securities and Exchange Commission (SEC) rules that permit us to deliver only one proxy statement and annual report to multiple shareholders who share an address unless we received contrary instructions from any shareholders at that address. If you share an address with another shareholder and have received only one proxy statement and annual report, you may write or call us as specified below to request a separate copy of these materials and we will promptly send them to you at no cost to you. For future meetings, if you hold shares directly registered in your own name, you may request separate copies of our proxy statement and annual report, or request that we send only one set of these materials to you if you are receiving multiple copies, by contacting us at: United Bankshares, Inc., Shareholder Relations Department, 514 Market Street, Parkersburg, WV 26102 or by telephoning us at (304) 424-8800.

List of Shareholders

If a shareholder requests a list of shareholders entitled to vote at the 2008 Annual Meeting for purposes of soliciting the shareholders or sending a written communication to the shareholders, then the Company will either (i) provide the list to the requesting shareholder upon receipt of an affidavit of the requesting shareholder that he will not use the list for any purpose other than to solicit shareholders with respect to the 2008 Annual Meeting; or (ii) mail the requesting shareholder's materials to the shareholders.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors consists of one class of thirteen (13) directors. Thirteen (13) directors will be elected at our 2008 Annual Meeting to serve for a one-year term expiring at our Annual Meeting in the year 2009. The Company's Bylaws provide that the number of directors shall be at least five (5) and no more than thirty-five (35) with the composition and number of nominees to be set at the discretion of the Board of Directors. For the election of directors at the 2008 Annual Meeting, the Board of Directors established the composition and number of directors to be elected at thirteen (13).

The persons named in the enclosed proxy intend to vote the proxy for the election of each of the thirteen (13) nominees, unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees. Each nominee elected as a director will continue in office until his successor has been elected or until his death, resignation or retirement.

The Board of Directors has proposed the following nominees for election as directors with terms expiring in 2009 at the Annual Meeting: Richard M. Adams, Robert G. Astorg, W. Gaston Caperton, III, Lawrence K. Doll, Theodore J. Georgelas, F. T. Graff, Jr., John M. McMahon, J. Paul McNamara, G. Ogden Nutting, William C. Pitt, III, Donald L. Unger, Mary K. Weddle, and P. Clinton Winter, Jr.

The Board of Directors recommends a vote “FOR” the election of each of these nominees for Director.

We expect each nominee for election as a director to be able to serve if elected. To the extent permitted under applicable law, if any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees, unless the Board chooses to reduce the number of directors serving on the Board.

The principal occupation and certain other information about the nominees for director are set forth on the following pages.

Options are fully vested and can be exercised at any time. Other than additional options granted through reinvestment of dividends received, United does not issue additional options under this deferred compensation plan.

GOVERNANCE OF THE COMPANY

Board and Committee Membership

The committee descriptions and membership set forth below are those applicable as of the mailing date of this proxy statement.

During 2007, the Board of Directors met six (6) times. The Board of Directors of the Company has four (4) standing committees: The Executive Committee, Audit Committee, Compensation Committee, and Governance and Nominating Committee. During 2007, each director attended 75% or more of the aggregate of the total number of meetings of the Board of Directors and all committees of the Board on which he or she served except for Mr. Theodore J. Georgelas. Although there is no formal written policy, attendance at the annual meeting by directors is expected. Fourteen of the fifteen directors attended the 2007 Annual Meeting. The Company's independent directors held two (2) meetings during 2007.

Independence of Directors

The Governance and Nominating Committee of the Board of Directors annually reviews the relationships of each member of the Board of Directors to determine whether each director is independent. This determination is based on both subjective and objective criteria developed by the NASDAQ listing standards and the SEC rules. The determination made by the Governance and Nominating Committee is then submitted to the Board of Directors to permit the Board of Directors to affirmatively determine whether each director has any relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

The Governance and Nominating Committee met on January 28, 2008, to determine the independence of the current members of the Board of Directors. At the meeting, the Governance and Nominating Committee reviewed the directors' responses to a questionnaire asking about their relationships with the Company (and those of their immediate family members) and other potential conflicts of interest, as well as information provided by management

related to transactions, relationships, or arrangements between the Company and the directors or parties related to the directors.

Based on the subjective and objective criteria developed by the NASDAQ listing standards and the SEC rules, the Governance and Nominating Committee determined that the following current members of the Board of Directors are independent: Robert G. Astorg, Thomas J. Blair, III, W. Gaston Caperton, III, Theodore J. Georgelas, F. T. Graff, Jr., Russell L. Isaacs, John M. McMahon, G. Ogden Nutting, William C. Pitt, III, Mary K. Weddle, and P. Clinton Winter, Jr.

The NASDAQ listing standards contain additional requirements for members of the Compensation Committee, the Audit Committee and the Governance and Nominating Committee. All of the directors serving on each of these committees are independent under the additional requirements applicable to such committees.

The Governance and Nominating Committee also considered the following relationships in evaluating the independence of the Company's independent directors and determined that none of the relationships constitute a material relationship with the Company.

- United's subsidiaries provided lending and/or other financial services to certain members of the Company's Board of Directors, their immediate family members, and/or their affiliated organizations during 2007 in the ordinary course of business and on substantially the same terms as those available to unrelated parties. These relationships satisfy the standards for independence.

- Bowles Rice McDavid Graff & Love LLP, an entity affiliated with F. T. Graff, Jr., provided legal services to the Company and received payments from the Company for such services during 2007. These payments did not exceed 5% of the Company's or Bowles Rice McDavid Graff & Love LLP's consolidated revenues for 2007, and therefore, the relationship satisfied the standards for independence.

- H&R Block Tax Business Services, an entity affiliated with Robert Astorg, provided tax services to the trusts and estates that have named United's trust department as the trustee or the executor. H&R Block Tax Business Services received payments from the individual trusts and estates and not from the Company or its subsidiaries and therefore the relationship satisfied the standards for independence.

- United Bank (WV) leases a drive-in facility from The Ogden Newspapers, Inc. of which G. Ogden Nutting is the Chairman. The lease payments did not exceed 5% of the Company's or The Ogden Newspapers' consolidated revenues for 2007, and therefore, the relationship satisfied the standards for independence.

The Governance and Nominating Committee determined that the following current members of the Board of Directors are not independent: Richard M. Adams, Lawrence K. Doll, J. Paul McNamara, Donald L. Unger, and I. N. Smith, Jr. Messrs. Adams, Doll, McNamara, Unger, and Smith are not independent because these directors are currently employed or have been employed by the Company within the last three years.

The Board of Directors reviewed and approved the determinations made by the Governance and Nominating Committee.

The Executive Committee

The Executive Committee is comprised of eight (8) directors, Richard M. Adams, Chairman, W. Gaston Caperton, III, Lawrence K. Doll, F. T. Graff, Jr., Russell L. Isaacs, John M. McMahon, G. Ogden Nutting, and P. Clinton Winter, Jr. The Executive Committee exercises all the authority of the Board of Directors whenever the Board of Directors is not meeting unless prohibited by law or under the provisions of the articles of incorporation or bylaws of the Corporation. The Board of Directors has specifically empowered the Executive Committee to

investigate mergers and acquisitions by marshaling necessary information and data to evaluate the advisability of mergers and acquisitions and to report their findings to the Board of Directors. The Board of Directors may accept, ratify, approve, amend, modify, repeal or change the actions of the Executive Committee. During 2007, the Executive Committee met three (3) times.

The Audit Committee

The Audit Committee has the primary responsibility to review and evaluate significant matters relating to audit, internal control and compliance. It reviews, with representatives of the independent registered public accounting firm, the scope and results of the audit of the financial statements, audit fees and any recommendations with respect to internal controls and financial matters. The United Bankshares, Inc. Board of Directors' Audit Committee Charter, as approved by the Board of Directors, governs the Audit Committee and is available on the corporate website under Policies at "www.ubsi-inc.com". Members of this committee are Robert G. Astorg, Chairman, Russell L. Isaacs, Mary K. Weddle and P. Clinton Winter, Jr. The Audit Committee met four (4) times during 2007. All members of the Audit Committee are independent directors as independence is defined in the NASDAQ listing standards and the SEC rules.

Audit Committee Financial Expert

The Board of Directors has determined that all audit committee members are financially literate under the NASDAQ listing standards. The Board also determined that Robert G. Astorg, Russell L. Isaacs, and Mary K. Weddle each qualify as an "audit committee financial expert" as defined by the SEC rules adopted pursuant to the Sarbanes-Oxley Act of 2002. All of the audit committee financial experts are independent as independence is defined in the NASDAQ listing standards and the SEC rules.

The Compensation Committee

The Compensation Committee recommends executive officer and director compensation to the Board of Directors. The Compensation Committee is composed solely of independent directors as independence is defined under the NASDAQ listing standards and the SEC rules. Members of this committee are Russell L. Isaacs, Chairman, W. Gaston Caperton, III, John M. McMahon, G. Ogden Nutting, and P. Clinton Winter, Jr. The Compensation Committee met two (2) times during the year. The Compensation Committee is governed by the Compensation Committee charter which is available on the corporate website under Policies at "www.ubsi-inc.com".

The Compensation Committee's primary processes and procedures for consideration and determination of executive compensation can be found in the Compensation Discussion and Analysis section under the headings "Role of Executive Officers in Compensation Decisions" and "Overview of Compensation Program."

The Compensation Committee is also responsible for evaluating the compensation of our directors and recommending changes for consideration by the independent directors of the board when appropriate. The Compensation Committee uses peer group information when evaluating the compensation of our directors. Compensation for our directors who served on United's Board of Directors in 2007 can be found in the Director Compensation table on page 34.

The Governance and Nominating Committee

The purposes of the Governance and Nominating Committee are to evaluate and recommend candidates for election as directors, make recommendations concerning the size and composition of the Board of Directors, develop and implement United's corporate governance policies, approve annual director nominees for and any subsequent changes in the subsidiary banks' boards, develop specific criteria for director independence, and assess the effectiveness of the Board of Directors.

Nominations to the Board of Directors by a shareholder may be made only if such nominations are made in accordance with the procedures set forth in Article II, Section 5 of the Restated Bylaws of United, which section is set forth in full below:

Section 5. Nomination of directors. Directors shall be nominated by the Board prior to the giving of notice of any meeting of shareholders wherein directors are to be elected. Additional nominations of directors may be made by any shareholder; provided that such nomination or nominations must be made in writing, signed by the shareholder and received by the Chairman or President no later than ten (10) days from the date the notice of the meeting of shareholders was mailed; however, in the event that notice is mailed less than thirteen (13) days prior to the meeting, such nomination or nominations must be received no later than three (3) days prior to any meeting of the shareholders wherein directors are to be elected.

In identifying nominees and evaluating and determining whether to nominate a candidate for a position on United's Board, the Committee considers the criteria outlined in United's corporate governance policy, which include the independence of the proposed nominee, diversity, age, skills and experience in the context of the needs of the Board. United regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. Candidates may come to the attention of the Committee from current Board members, shareholders, professional search firms, officers or other persons. The Committee will consider and review all candidates in the same manner regardless of the source of the recommendation.

The Governance and Nominating Committee is composed of independent directors as independence is defined under the NASDAQ listing standards and the SEC rules. Members of this committee are G. Ogden Nutting, Chairman, W. Gaston Caperton, III, Russell L. Isaacs, John M. McMahon, and P. Clinton Winter, Jr. The Governance and Nominating Committee met one (1) time during the year. The charter for this committee is available on the corporate website under Policies at "www.ubsi-inc.com".

Related Party Transactions

Policies and Procedures. The Board of Directors has adopted a written policy and procedure for review, approval and monitoring of transactions involving the Company and "related persons" (directors and executive officers or their immediate families, or shareholders owning five percent or greater of the Company's outstanding stock). The policy covers any related person transaction that meets the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (generally, transactions involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest).

Related party transactions must be approved by the Audit Committee of the Board (the "Committee"). At each calendar year's first regularly scheduled Committee meeting, management recommends Related Person Transactions to be entered into by the Company for that calendar year, including the proposed aggregate value of such transactions if applicable. After review, the Committee approves or disapproves such transactions and at each subsequently scheduled meeting, management will update the Committee as to any material change to proposed transactions.

The Committee will consider all of the relevant facts and circumstances available to the Committee, including whether the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and whether the transaction violates any requirements of the Company's financing agreements.

In the event management recommends any further related person transactions subsequent to the first calendar year meeting, such transactions may be presented to the Committee for approval or preliminarily entered

into by management subject to ratification by the Committee; provided that if ratification shall not be forthcoming, management will make all reasonable efforts to cancel or annul such transaction.

The Related Party Transaction Policy was adopted in January, 2007. All related party transactions since January 1, 2007, which were required to be reported in this proxy statement were approved by the Committee in accordance with the policy.

Related Person Transactions. United's subsidiaries have had, and expect to have in the future, banking transactions with United and with its officers, directors, principal shareholders, or their interests (entities in which they have more than a 10% interest). The transactions, which at times involved loans in excess of \$120,000, were in the ordinary course of business, were made on substantially the same terms, including interest rates, collateral and repayment terms as those prevailing at the time for comparable transactions with persons not related to United and did not involve more than the normal risk of collectibility or present other unfavorable features. United's subsidiary banks are subject to federal statutes and regulations governing loans to officers and directors and loans extended to officers and directors are in compliance with such laws and are exempt from insider loan prohibitions included in the Sarbanes-Oxley Act of 2002.

In addition to the normal banking transactions described above, United Bank (WV) leases office space in its main Charleston branch from the Kanawha-Roxalana Company pursuant to a written lease agreement originally dated October 1, 1992, and amended on August 7, 2002 (the "United Center Lease"). The Kanawha-Roxalana Company is a shareholder of United, and the voting and investment authority for its shares are beneficially owned by its President and Chief Executive Officer, I. N. Smith, Jr., who is a director of United. The United Center Lease provided for an initial term of ten (10) years that commenced on October 1, 2002, and was extended for another ten (10) years with the amendment. The expiration date of the term of the lease is September 30, 2012. The United Center Lease provides for United Bank (WV) to pay a monthly base rent, which is based on square footage of the rentable areas, and additional monthly rent at a fixed monthly rate. Additionally, the United Center Lease provides for United Bank (WV) to pay its share of operating costs. Management believes the United Center Lease is on terms comparable to market terms for similar rental space in Charleston, West Virginia. During 2007, United paid rent expense of approximately \$867,000 under the United Center Lease.

In addition, United Bank (WV) leases land for one of its other Charleston branches from the Kanawha-Roxalana Company pursuant to a written lease agreement dated November 28, 2001 (the "Kanawha City Lease"). As previously mentioned, the Kanawha-Roxalana Company is a shareholder of United, and the voting and investment authority for its shares are beneficially owned by its President and Chief Executive Officer, I. N. Smith, Jr., who is a director of United. The Kanawha City Lease provides for an initial term of twenty-five (25) years that commenced on December 1, 2001, with five (5) additional five (5) year renewal options after expiration of the initial twenty-five (25) year term. The Kanawha City Lease provides for the base rent to be paid by United Bank (WV) to be adjusted on December 1, 2006, and every five (5) years thereafter following the commencement and any renewal option properly exercised by United Bank (WV). The adjusted amount of rent shall be calculated based on changes in the Consumer Price Index of the United States Bureau of Labor Statistics. Additionally, the Kanawha City Lease provides an option for United Bank (WV) to purchase the property after the expiration of the initial twenty-five year (25) term at a purchase price equal to the average of three separate appraisals. Upon the expiration of the Kanawha City Lease for any cause, all improvements and structures shall become the property of the Kanawha-Roxalana Company. Management believes the Kanawha City Lease is on terms comparable to market terms for similar rental space in Charleston, West Virginia. During 2007, United paid rent expense of approximately \$45,000 under the Kanawha City Lease.

F. T. Graff, Jr., a member of the Board of Directors of United, is a partner in the law firm of Bowles Rice McDavid Graff & Love LLP in Charleston, West Virginia. Bowles Rice McDavid Graff & Love LLP rendered legal services to United during 2007, and it is expected that the firm will continue to render certain services in the future. The fees paid to Bowles Rice McDavid Graff & Love LLP in 2007 were \$799,000, which represented less than 5%

of that firm's revenues for the year 2007. The legal fees paid to Bowles Rice McDavid Graff & Love LLP were the ordinary and customary fees for such legal services. As partner of the law firm of Bowles Rice McDavid Graff & Love LLP, Mr. Graff's interest in the fees paid by United in 2007 was approximately \$19,026. This amount was calculated based on Mr. Graff's percentage of net income of Bowles Rice McDavid Graff & Love LLP, and was computed without regard to the amount of profit or loss.

COMPENSATION DISCUSSION AND ANALYSIS (CD&A)

Philosophy of Compensation Program

The Company's philosophy is to ensure that the total compensation paid to all of its employees is fair, reasonable, competitive, and aligned with the best interests of our shareholders. United's Compensation Committee (the "Committee"), comprised entirely of independent directors, administers United's executive compensation program consistent with the Company's compensation philosophy. All elements of compensation for the Company's executive officers as well as all of its employees are determined by competitive practices and marketplace data. For example, base salaries fall within salary ranges formulated from competitive salary information for like positions in like financial institutions. This information is developed from salary surveys as well as other peer group information. This compensation data is verified from time to time by outside consultants.

The Company strives to link closely executive and nonexecutive compensation with the achievement of annual financial and non-financial performance goals. Compensation is based upon corporate performance, business unit performance, individual performance and an individual's level of responsibility. In general, the higher the level of responsibility, the greater the emphasis on corporate performance. It is the Company's practice to provide a mix of cash, equity-based compensation and other non-cash compensation that it believes balances the best interests of the Company's employees and the Company's shareholders.

United's compensation practices specifically related to its executive officers are presented in more detail in the following discussion and analysis.

Role of Executive Officers in Compensation Decisions

As provided in its charter, the Committee has the authority to determine all compensation components for the named executive officers and to approve equity awards to other executive officers of the Company. In 2007, the Chairman of the Committee and the Company's Chief Executive Officer met on two occasions prior to the November Compensation Committee Meeting to review the performance of the named executive officers and the CEO's recommendations as to the compensation of each named executive officer. Based on these reviews, the Chairman of the Committee and the CEO presented recommendations for salary adjustments and annual award amounts to the Committee for consideration. The Committee may exercise its discretion in modifying any recommended adjustments to the compensation of the named executive officers. The Committee also reviews Mr. Adams' performance and determines Mr. Adams' compensation.

Overview of Compensation Program

The Company's executive compensation program is designed to:

- retain executive officers by paying them competitively, motivate them to contribute to the Company's success, and reward them for their performance;
- link a substantial part of each executive officer's compensation to the performance of both the Company and the individual executive officer; and
- encourage ownership of Company common stock by executive officers.

2007 Executive Compensation Components

For the fiscal year ended December 31, 2007, the principal components of compensation for named executive officers were:

- salary;
- annual incentive compensation;
- long-term incentive equity based compensation; and
- retirement and other benefits.

Role of Consultants, Peer Group, Surveys and Benchmarking

The Company uses salary surveys and peer group information when evaluating the compensation of our executive officers. Periodically, the Committee retains the services of nationally recognized compensation consulting firms to provide independent advice on compensation matters and to review the Company's compensation program for all executive officers. In late 2005, the Committee retained Aon Consulting, Inc. ("Aon") to conduct an evaluation of the Company's executive compensation program. Aon took its direction from and provided its report to the Committee. Billing by Aon was provided directly to and approved for payment by the Chairman of the Committee.

In its report, Aon concluded that compared to peer group compensation, except for Mr. Adams, the named executive officers were within a competitive range for base salary, annual incentive (measured over a three year period), and total cash compensation. Long-term incentives (measured over a three year period) were within the competitive peer group range. Based on Aon's report, the Committee determined that the midpoint base salary of Mr. Adams did not align with peer group base salary data. Accordingly, in November of 2006, the Committee increased Mr. Adams' base salary midpoint from \$600,000 to \$650,000. The peer group used by Aon in its evaluation consisted of the following companies:

- | | |
|--------------------------------------|----------------------------------|
| • Citizens Banking Corp | • Old National Bancorp (Indiana) |
| • Commerce Bancshares Inc (Missouri) | • Park National Corp (Ohio) |
| • First Financial Bancorp (Ohio) | • Provident Bankshares Corp |
| • First Midwest Bancorp Inc | • Republic Bancorp Inc |
| • Hudson United Bancorp | • Sky Financial Group Inc |
| • Irwin Financial Corporation | • Susquehanna Bancshares Inc |
| • Mercantile Bankshares Corp | • Valley National Bancorp |
| • National Penn Bancshares Inc | • Wilmington Trust Corp |

In determining compensation packages for the named executive officers in 2007, the Committee did not retain a compensation consultant. The Committee used a peer group similar to the peer group used by Aon in its 2005 report. The peer group consisted of banking companies operating in the United States in the same lines of business as United and of similar size (the "Peer Group"). These companies represented diversified markets and fell within a market capitalization range of \$1.0 billion to \$2.0 billion. At December 31, 2006, United's market capitalization was \$1.59 billion. The 2007 Peer Group consisted of:

- Chittenden Corporation (Vermont)
- Citizens Republic Bancorp (Michigan)
- FirstMerit Corporation (Ohio)
- First Midwest Bancorp, Inc. (Illinois)
- Provident Bankshares (Maryland)
- Susquehanna Bancshares, Inc. (Pennsylvania)

- Trustmark Corporation (Mississippi)
- Umpqua Holdings Corporation (Oregon)
- United Community Banks (Georgia)

The Peer Group may change from year to year as a result of consolidation in the industry or size of a member of the Peer Group. The Committee considered compensation information for the Peer Group gathered from documents filed with the Securities Exchange Commission and publicly available executive compensation surveys.

The Committee also reviews a summary compensation table which provides an overview of total compensation for each named executive officer. The summary compensation table includes the value of each component of compensation including base salary, annual incentive bonus, stock option awards, change in pension benefit value, change in non-qualified deferred compensation earnings and other compensation. The Committee reviews the compensation table on an annual basis.

Salaries

The first element of the executive compensation program is salaries. Salaries of the named executive officers are reviewed on an annual basis. In recent years, the Committee has been directing a shift in the mix of the Company's executive compensation toward incentive compensation. This strategy is intended to increase the performance orientation of the Company's executive compensation, and the Committee intends to continue this emphasis in 2008. In setting the base salary for the Chief Executive Officer, and in reviewing and approving the salaries for the other named executive officers, the Committee first reviews the history of and the proposals for the compensation for each individual, including cash and equity-based components. In setting the salaries of the executive officers, the Committee considers salaries paid by the Peer Group to executive officers holding equivalent positions available in filings with the Securities Exchange Commission, other published survey data, corporate performance, business unit performance, individual performance and an individual's level of responsibility.

Based on the competitive salary data described above, the Company establishes a competitive midpoint for a salary range which is used as a guideline to determine the executive officer's base salary for the following year. For 2007, the Company decided not to increase the base salaries for the named executive officers. The Company based its decision on the uncertain earnings outlook for 2007 and the potential need to control expenses for the year. The Committee raised Mr. Adams' salary midpoint from \$600,000 to \$650,000 for 2007 because the peer group data presented in the Aon report indicated that Mr. Adams' midpoint was less than the peer group average.

Annual Incentive Compensation

The second element of the executive compensation program is annual incentive compensation. The purpose of the Company's annual incentive compensation is to motivate and reward executives for their contributions to the Company's performance by making a large portion of their cash compensation variable and dependent upon the Company's performance. The Committee annually adopts a plan for cash incentive awards. In determining the potential maximum annual incentive compensation to which an executive officer may be entitled, the Company uses a percentage of the base salary as a guideline to determine maximum annual incentive compensation. These percentages are based mainly on cash incentive awards paid by the Peer Group to executive officers holding equivalent positions and published compensation survey data.

This percentage is reviewed and established by the Committee each year. For 2007, all incentive awards were based on a composite rating of several factors, including the following corporate and individual goals:

- earnings: earnings per share (EPS) growth to \$2.45 and outperform return on average assets (ROA) compared to the Peer Group
- stock: outperform total shareholder returns from 1990, 2000 and the current year compared to the NASDAQ Index, the Peer Group, and potential acquirors
- dividend: increase the dividend over the previous year
- franchise value: interest of potential acquirors in United
- unit performance: subsidiary banks of United meeting profit, loan, and deposit targets; and
- other: individual objectives including risk management.

The composite rating components used to achieve awarded percentages of the potential incentive payments were as follows:

	Richard M. Adams		Steven E. Wilson		James B. Hayhurst, Jr.		James J. Consagra, Jr.		Richard M. Adams, Jr.
COMPONENTS	Point Value (%)		Point Value (%)						
Earnings	30%		15%		15%		15%		15%
Stock	30%		15%		15%		15%		15%
Dividend	10%		5%		5%		5%		5%
Franchise Value	10%		---		---		---		---
Unit Performance	---		45%		45%		45%		45%
Other	20%		20%		20%		20%		20%
Total Point Value	100%		100%		100%		100%		100%

The financial and individual performance measures for each of the named executive officers are weighted based upon the executive officer's area of responsibility and his ability to influence or affect the results in the designated areas. Company and individual performance measures were communicated to each named executive officer. These performance objectives are aggressive and dependent on factors the Company has control over, as well as factors over which the Company has no control. In order to attain the maximum annual incentive amount, all Company and individual performance goals must be substantially met. Even with strong performance, the maximum level of incentive compensation is difficult to attain.

Potential and actual incentive payments to the named executive officers for 2007 were as follows:

Name/Position	Incentive Potential as % of Base Salary	Awarded % of Potential
	\$ Incentive Potential	\$ Awarded
Richard M. Adams Chief Executive Officer	75% \$ 487,500	40% \$ 195,000
Steven E. Wilson Executive Vice President, Chief Financial Officer, Secretary and Treasurer	55% \$ 141,540	0% ---
James B. Hayhurst, Jr. Executive Vice President	55% \$ 119,540	40% \$ 47,820
James J. Consagra, Jr. Executive Vice President	55% \$ 137,500	50% \$ 68,750
Richard M. Adams, Jr. Executive Vice President	55% \$ 112,750	50% \$ 56,380

In 2007, the amount of the incentive payment was less than the full amount for which each of the named executives was eligible. For Mr. Adams, the Company's Chief Executive Officer, the Committee's decision to award less than the full incentive amount was based primarily on the less than expected earnings per share performance of the Company and the decrease in the market price of the Company's stock. The 2007 earnings per share target of \$2.45 was not achieved. For the other named executive officers, the Committee's decision to award less than the full incentive amounts was based primarily on the less than expected earnings per share performance, the decrease in the market price of the Company's stock, and the individual's unit performance.

Long-Term Incentive Compensation

The third element of the executive compensation program is long-term incentive compensation. The main component of the long-term incentive compensation program is the United Bankshares, Inc. 2006 Stock Option Plan (the "2006 Stock Option Plan"). In January 2006, the Committee retained Towers Perrin to provide data and recommendations related to the design of the 2006 Stock Option Plan. The Committee recommended and the Company's stockholders approved the 2006 Stock Option Plan at the Annual Meeting on May 15, 2006. The purpose of the 2006 Stock Option Plan is to reward and retain officers in a manner that best aligns officers' interests with stockholders' interests. Under this plan, the Company may award options for up to 1,500,000 shares of the Company's common stock over the 5-year term of the plan to qualified officers of the Company and its subsidiaries. Any options granted by the Company will have an exercise price equal to the fair market value of the Company's stock based on the closing stock price of the Company's common stock as of the date of grant. The Company's practice is to grant option awards as of the date approved by the Committee at its November meeting. The Company has never granted an option priced on a date other than the grant date. These stock options will have value only if the market price of the common stock increases after the grant date. Options granted under the plan vest according to a schedule designated at the grant date.

Annual stock option grants for executive officers are a key element of market-competitive total compensation. The Committee approves annual stock option grants for the executive officers based on various factors including level of responsibility within the organization, contributions made to the success of the

organization over the past year, compensation peer group data, a review of available published data on senior management compensation, and information contained in the AON executive compensation study.

Based on the compensation information reviewed, and taking into consideration our compensation philosophy, the Committee decided to grant stock options to the executive officers in 2007. Stock option grant awards for the named executive officers can be found in the Summary Compensation Table on page 22 of this proxy. The number of options granted to each executive officer was based primarily on the performance of the Company, the performance of the individual's business unit, and the performance of the individual. The Company does not use a predefined formula that determines which of these factors may be more or less important, and the emphasis placed on specific factors may vary among executive officers. Ultimately, it is the Committee's judgment of these factors that is used as the basis to award the number of options granted to each executive officer.

Perquisites and Other Personal Benefits.

Generally, the Company provides modest perquisites or personal benefits, and only with respect to benefits or services that are designed to assist a named executive officer in being productive and focused on his or her duties, and which management and the Committee believe are reasonable and consistent with the Company's overall compensation program. Management and the Committee periodically review the levels of perquisites or personal benefits provided to the named executive officers.

Retirement and Other Benefits

United has a defined benefit retirement plan covering substantially all employees hired prior to October 1, 2007. Employees who meet the minimum age requirement, work at least 1,000 hours per year, and were hired prior to October 1, 2007, are covered under the UBSI Defined Benefit Pension Plan (the "Plan"). The cost of the Plan is fully funded by the Company. Employees hired or rehired on or after October 1, 2007, are not eligible to participate in this Plan. The Plan benefit is based on years of service and average salary. Maximum salary levels are set each year based on Internal Revenue Service regulations, and are generally less than the average salary of the named executive officers. These maximum levels limit the qualified pension benefit payout available to named executive officers' percentage of current base pay.

To provide funding for the shortfall in qualified pension plan benefit, United provides Supplemental Executive Retirement Plan ("SERP") agreements to the named executive officers. Accordingly, to the extent the named executive officer's annual retirement income exceeds the limitations imposed by the Internal Revenue Service, the excess benefits may be paid from the Company's SERP. In 2003, the Company retained Clark/Bardes to implement the Company's Supplemental Retirement Program and to determine its reasonableness and competitiveness in the market place. SERP agreements are generally provided to executives in the banking industry, and the Company considers them a necessary element of a competitive compensation package.

Employment Agreements

None of the named executive officers other than the Company's Chief Executive Officer, Mr. Adams, has an employment agreement with the Company. See the description of Mr. Adams' Employment Agreement under the heading "Employment Contracts of Named Executive Officers" on page 24.

In deciding to enter into an Employment Agreement with Mr. Adams and in deciding to extend the term of Mr. Adams' Employment Agreement, the Company considered the following factors: the Company's consistent long-term success in attaining its performance goals under Mr. Adams' leadership; Mr. Adams' 38 years of service to the Company; and the growth of the Company from a single office \$100 million bank to an \$8.0 billion regional bank holding company during Mr. Adams' 31-year tenure as Chief Executive Officer creating substantial long-term returns to the Company's shareholders.

Termination and Change of Control

The Company has entered into change of control agreements with the named executive officers. The Change of Control Agreements are designed to promote stability and continuity of senior management. Information regarding applicable payments under such agreements for the named executive officers is provided under the heading “Potential Payments upon Termination or Change of Control” on page 28.

Non-Qualified Deferred Compensation

The named executive officers, in addition to certain other executives, are entitled to participate in the Company’s Non-Qualified Retirement and Savings Plan. Under the Non-Qualified Retirement and Savings Plan, eligible employees can defer up to 100% of earnings in excess of the limits prescribed by the Internal Revenue Service. The Company does not match or supplement executive contributions to this plan. The Non-Qualified Retirement and Savings Plan is discussed in further detail under the heading “Non-Qualified Deferred Compensation” on page 27.

Other Compensation

The Company provides other benefits to executive officers as well as all full-time employees. These benefits include the opportunity to participate in a Qualified Savings and Stock Investment 401K plan, medical and dental insurance plans, company paid group life and long-term disability plans, and paid time off.

Tax and Accounting Implications

Deductibility of Executive Compensation

As part of its role, the Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that the Company may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. The Company believes that compensation paid under the management incentive plans is generally fully deductible for federal income tax purposes. However, in certain situations, the Committee may approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its executive officers.

Non-Qualified Deferred Compensation

On October 22, 2004, the American Jobs Creation Act of 2004 was signed into law, changing the tax rules applicable to nonqualified deferred compensation arrangements. A more detailed discussion of the Company’s nonqualified deferred compensation arrangements is provided on page 27 under the heading “Non-Qualified Deferred Compensation.”

Accounting for Stock-Based Compensation

Beginning on January 1, 2006, the Company began accounting for stock-based payments including its Stock Option Program, Long-Term Stock Grant Program, Restricted Stock Program and Stock Award Program in accordance with the requirements of FASB Statement 123(R).

Footnotes:

- (1) Amounts reflect United's expense for stock options recognized in 2007 in accordance with SFAS 123R. The expense was calculated using a binomial lattice pricing model based on a weighted-average fair value of \$7.06 per option granted in 2007. The weighted-average assumptions used in determining the valuation of these options using this methodology were as follows: average expected option life of 5.89 years; risk-free interest rate of 4.09%; a volatility factor of 0.2954; and a dividend yield of 3.00%. No other expense for stock options was recognized in 2007 from prior grants as all those options were vested prior to December 31, 2005 and no options were granted in 2006.
- (2) The amounts disclosed for 2006 in this column were disclosed in the bonus column in United's proxy materials for the 2007 Annual Meeting. The amounts disclosed for 2006 should have been included in this column because the amounts were awarded pursuant to United's Non-Equity Incentive Plan which is based on financial and individual performance measures that are communicated to the named executive officers. The amounts earned under United's Non-Equity Incentive Plan are disclosed in the year earned, although paid in the following year.
- (3) Change in value of executive officer's Pension and SERP benefit during the year of 2007. For Mr. R. Adams, the increase in Pension value was \$24,866 and the increase in SERP value was \$215,939. For Mr. S. Wilson, the increase in Pension value was \$30,653 while his SERP value decreased \$2,552 and thus was not included. For Mr. Hayhurst, the increase in Pension value was \$39,149 while his SERP value decreased \$33,978 and thus was not included. For Mr. Consagra, the increase in Pension value was \$13,375 and the increase in SERP value was \$38,735. For Mr. R. Adams, Jr., the increase in Pension value was \$5,584 and the

increase in SERP value was \$34,030.

- (4) Other Compensation includes perquisites (aggregate amounts for perquisites less than \$10,000 are not disclosed), company contributions to the named executive officer's 401(k) Plan, compensation due to the exercise of non-statutory stock options, and company paid life, health and disability insurance premiums. Perquisites are valued based on their incremental cost to the Company in accordance with SEC regulations. Aggregate perquisites of \$10,518 were provided to Mr. Hayhurst in 2007, which exceeded \$10,000 and are thus included in his All Other Compensation column. His perquisites included a country club membership, personal use of a company automobile, and a medical exam paid for by the company. Compensation from the exercise of non-statutory stock options is pursuant to United's Stock Option Plans and/or the George Mason Bankshares Option Plan assumed in the George Mason Bankshares acquisition. The compensation amounts from the exercise of non-statutory options included for the named executive officers are as follows: Mr. R. Adams, \$317,253; Mr. S. Wilson, \$88,508; and Mr. Hayhurst, \$21,998.
- (5) Mr. Richard Adams, Jr. was not a named executive officer in 2006; accordingly, compensation information for Mr. R. Adams, Jr. is only shown for 2007.

Total cash compensation, as measured by salary and bonus, is based on the Company's performance as well as employee performance and certain other factors described in the section entitled "Compensation Discussion and Analysis." For the named executive officers, total cash compensation as a percentage of total compensation is as follows in 2007: Mr. R. Adams – 58.72%; Mr. S. Wilson – 65.24%; Mr. Hayhurst – 74.07%; Mr. Consagra – 81.93%; and Mr. R. Adams, Jr. – 82.15%.

Footnotes:

- (1) Amounts awarded under United's Non-Equity Incentive Plan were paid January 15, 2008 and are set forth in the Non-Equity Incentive Plan compensation column of the Summary Compensation Table.
- (2) All 2007 grants were made under the United Bankshares, Inc. 2006 Stock Option Plan as approved by shareholders on May 15, 2006. Stock options were granted on the November 1, 2007, grant date closing price and will vest three years from the grant date. These options have a term of 10 years. Vesting is based upon continued employment through the vesting date. All options will become immediately exercisable upon a change of control of the Company.
- (3) Amounts represent the aggregate grant date fair value computed in accordance with FAS 123(R). The amounts were calculated using a binomial lattice option pricing model based on a weighted-average fair value of \$7.06 per option granted in 2007. The

weighted-average assumptions used in determining the valuation of these options using this methodology were as follows: average expected option life of 5.89 years; risk-free interest rate of 4.09%; a volatility factor of 0.2954; and a dividend yield of 3.00%.

- (4) Amounts represent maximum potential payout opportunities for each of the named executive officers. For 2007, the maximum potential non-equity incentive compensation as a percentage of base salary for the named executive officers were as follows: Mr. R. Adams - 75%; Mr. S. Wilson - 55%; Mr. Consagra - 55%; Mr. Hayhurst - 55%; and Mr. R. Adams, Jr.- 55%.

Employment Contracts of Named Executive Officers

Richard M. Adams, Chairman and Chief Executive Officer of United and United Bank (WV), entered into an employment contract with United effective April 11, 1986. The original term of Mr. R. Adams' employment contract was five years commencing on March 31, 1986, with the provision that the contract could be extended annually for one (1) year to maintain a rolling five (5) year contract. This contract was amended in November 2002, to extend the initial term of the contract through March 31, 2008 with the provision for additional one (1) year term extensions by the Executive Committee with the approval of Mr. R. Adams. The term of this contract has been extended through March 31, 2013. Under the amended contract, Mr. R. Adams is required to devote his full-time energies to performing his duties as Chairman and CEO on behalf of United and its subsidiaries. The contract provides for a base compensation of \$650,000 and additional benefits consistent with the office. This base compensation may be increased but not decreased. If the contract is terminated for any reason other than mutual consent or cause, Mr. R. Adams, or his family or estate, is entitled to his base salary for a sixty (60) month period. Under Mr. R. Adams' contract, cause is defined as based on (i) excessive, unapproved absences, (ii) gross or willful neglect of duty that results in some substantial loss to United, or (iii) fraud or commission of any criminal act, if proven. If the contract is terminated by mutual consent, Mr. R. Adams, his family or estate are entitled to receive the amount mutually agreed upon by Mr. R. Adams and United. If the contract is terminated for cause, United must pay Mr. R. Adams' base salary only for the period of his active full-time employment to the date of termination.

The contract between Mr. R. Adams and United also provides for an additional gross-up payment by United to Mr. R. Adams in the event that a payment or distribution pursuant to the contract would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended. Any calculated gross-up payment amount shall be equal to one hundred percent (100%) of the excise tax plus one hundred percent (100%) of any federal, state and local income taxes plus the additional excise tax on the gross-up amount. Any gross-up payment pursuant to the contract must be paid to Mr. R. Adams within 30 days of the receipt of the amount determined.

Other Employment Contracts

J. Paul McNamara entered into an employment agreement with United, effective as of October 11, 2003. During the three-year term of the agreement, Mr. McNamara was to serve as Vice Chairman of United Bank (VA) and a member of United's Board of Directors. On October 31, 2005, Mr. McNamara retired as Vice Chairman of United Bank (VA) and by mutual agreement, United and Mr. McNamara terminated the employment agreement. Mr. McNamara is fully vested in the normal retirement benefit provided for under the salary continuation agreement assumed by United, and United will continue his participation in health and welfare benefits, or provide similar coverage until October 31, 2008.

Bank Owned Life Insurance (BOLI)

United has purchased BOLI policies covering several key company officers including the named executive officers. The purchase of BOLI represents a tax-advantaged financing strategy that permits the company to meet its increasing benefit liability obligations in a more cost-effective manner. The intent is to create an independent source of funds to recoup some of the benefit expenses. The policies' earnings, including death proceeds, will be used to offset and recover a portion of the costs to carry the policies. Interest earned on the cash value is not subject to tax unless the policies are surrendered or borrowed against before the insured's death. United earned the following approximate amounts of income in 2007 related to the BOLI policies on the named executive officers: Mr. R. Adams, \$569,000; Mr. S. Wilson, \$87,000; Mr. Hayhurst, \$86,000; Mr. Consagra, \$60,000; and Mr. R. Adams, Jr., \$35,000.

Employee Benefit Plans

No directors or principal shareholders of United and its subsidiaries, other than those persons who are salaried officers, participate in any type of benefit plan of United.

United's subsidiaries provide, on a substantially non-contributory basis for all full-time employees, including the named executive officers, life, and disability insurance. Life insurance with a value of 250% of base salary, up to a maximum benefit of \$1,000,000, is provided to all full-time employees, including executive officers. The premiums paid by United for life insurance on any individual, which has a face value greater than \$50,000 is properly reported as compensation. These plans do not discriminate, in scope, terms or operation, in favor of the executive officers of United or its subsidiaries and are available generally to all full-time salaried employees of United and its subsidiaries.

Employees, including the named executive officers, of United hired prior to October 1, 2007, or its participating subsidiaries, who complete one year of eligible service and are 21 years of age are eligible to participate in United's Pension Plan (the "Pension Plan"). The Pension Plan is noncontributory on the part of the employee. Pension benefits are based on years of service and the average of the employee's highest five consecutive plan years of basic compensation paid during the ten plan years preceding the date of determination. United's funding policy is to contribute annually the maximum amount that can be deducted for federal income tax purposes. Contributions are intended to provide not only for benefits attributed to service to date, but also for those expected to be earned in the future. Vesting is attained after five years of participation.

Pension Benefits

Pension Plan. The United Bankshares, Inc. Pension Plan is a defined benefit pension plan. It is a tax-qualified, broad-based plan generally available to all regular employees (with some exceptions) hired prior to October 1, 2007. Participation is automatic for those employees hired before October 1, 2007 and begins on January 1 or July 1 after an eligible employee completes one (1) year of service (12 consecutive months during which the employee completes at least 1,000 hours of service) and reaches the age of 21.

Normal benefits under the Pension Plan are based on these factors:

- years of credited service
- compensation of the employee, and
- Social Security covered compensation.

An employee is 100% vested when the first of the following occurs:

- the employee completes at least 5 years of service or
- the employee reaches the normal retirement date or
- the employee reaches early or disability retirement (regardless of whether the employee actually retires).

For purposes of calculating benefits under the Pension Plan, compensation is generally the pay an employee receives from United, including any pre-tax savings under a 401(k) plan maintained by United and salary reductions under an Internal Revenue Code Section 125 plan. Compensation does not include overtime, bonuses or director's fees. Maximum compensation limits for benefit calculations are set by governmental rules. The limit is indexed and may change each year. For 2007, the limit was \$225,000.

The employee's average compensation is used to calculate his or her retirement benefit. Average compensation is the employee's average pay over the consecutive five years out of the last ten years with the Company that produces the highest average.

Benefits are paid under the Pension Plan when an employee retires. Retirement under the Pension Plan can be normal retirement, early retirement, delayed retirement or disability retirement.

If an employee retires at the normal retirement age of 65, then the employee's monthly normal retirement benefit is equal to the sum of 1.25% of average compensation and 0.5% of average compensation in excess of Social Security covered compensation, multiplied by years of service up to 25 years. If an employee terminates employment before his or her normal retirement date, the employee is entitled to his or her vested accrued benefit. The employee will receive the benefits upon early retirement or at his or her normal retirement date, whichever comes first.

An employee may elect early retirement after he or she reaches age 55 and has completed at least 5 years of service. The early retirement benefit is equal to the employee's accrued benefit as of his or her early retirement date. If payment of the early retirement benefit begins before the employee's normal retirement date, then the benefit is reduced.

Supplemental Executive Retirement Agreements. United has entered into Supplemental Retirement Agreements ("SERPs") with each of its named executive officers to encourage such officers to remain employees of United. The SERPs are designed to provide a certain level of post-retirement income to the individuals who have a significant impact on the long-term growth and profitability of United. A more detailed description of the SERPs begins on page 28 of this Proxy Statement.

The following table shows the present value of the accumulated benefit under the Pension Plan and the SERPs as well as the years of credited service for each of the named executive officers. The values in the table reflect the actuarial present value of the named executive officer's accumulated benefit under each plan, computed as of December 31, 2007.

Name	Plan Name	Number of Years Credited Service (#)	Present Value of Accumulated Benefit (\$)	Payments During Last Fiscal Year (\$)
Richard M. Adams	Pension Plan	39	\$ 633,260	---
	SERP	39	\$ 2,901,792	---
Steven E. Wilson	Pension Plan	36	\$ 534,520	---
	SERP	36	\$ 505,761	---
James B. Hayhurst, Jr.	Pension Plan	36	\$ 605,976	---
	SERP	36	\$ 278,028	---
James J. Consagra, Jr.	Pension Plan	10	\$ 91,981	---
	SERP	10	\$ 105,662	---
Richard M. Adams, Jr.	Pension Plan	13	\$ 64,576	---
	SERP	13	\$ 93,597	---

The present value of the accumulated benefit for both the SERP and the Pension Plan benefits was calculated using the following weighted-average assumptions: discount rate of 6.25%; compensation increase rate of 3.25%; an investment return of 8.50% and an increase in Social Security wage base of 4.00%. Benefits under both the Pension Plan and the SERP are based on annual base salary and do not include bonuses, directors' fees, expense reimbursements, and employer contributions to retirement plans. For Mr. R. Adams, Mr. Hayhurst, and Mr. S. Wilson, the annual benefit under their SERP is further reduced by annual benefits payable at retirement under the Pension Plan and benefits under United's Savings and Stock Investment Plan.

Benefit figures shown are computed on the assumption that participants will retire at the earliest time available under the plan without any benefit reduction due to age. For the Pension Plan, the earliest retirement age is 55. For the SERPs, the earliest retirement ages for the named executive officers are as follows: Mr. R. Adams - 65; Messrs. Hayhurst, S. Wilson, Consagra, and R. Adams, Jr. – 55.

The Pension Plan and the SERP are designed to work together to provide each named executive officer with a certain level of benefits. Social Security benefits are deducted from the annual benefits payable under the Pension Plan and the annual benefits under the SERP for Messrs. R. Adams, Hayhurst, and S. Wilson are reduced by the annual benefits payable at retirement under the Pension Plan and the benefits under United's Savings and Stock Investment Plan.

As a general rule, United does not grant extra years of service under the Pension Plan and the SERP. Exceptions may occur, however, in the case of mergers and acquisitions.

Other Employee Plans

Each employee of United, including named executive officers, who completes ninety (90) days of qualified service, is eligible to participate in the United Savings and Stock Investment Plan, a deferred compensation plan under Section 401(k) of the Internal Revenue Code. Each participant may contribute from 1% to 100% of compensation to his/her account, subject to Internal Revenue Service maximum deferral limits. After one year of eligible service, United matches 100% of the first 2% of salary deferred and 25% of the second 2% of salary deferred with United stock. Vesting is 100% for employee deferrals and the company match at the time the employee makes his/her deferral.

United employees may participate in an employee stock purchase plan whereby its employees may purchase shares of United's common stock. Purchases made by employees under this plan are coordinated by the Personnel and Shareholder Relations Department of United Bank (WV), and involve stock purchased at market price for this purpose.

Non-Qualified Deferred Compensation

United provides a Non-Qualified Retirement and Savings Plan (the "Non-Qualified Plan") to provide a supplemental savings program for certain employees of the Company who are unable to make meaningful contributions to the United Savings and Stock Investment Plan. This plan is intended to benefit a select group of management or highly compensated employees of the Company. Each participant may elect to defer any percentage of his or her salary and bonus as a supplemental savings contribution. Participants may choose to have their deferral contributions directed to any of twenty investment options including United common stock, a U.S. Government Securities Fund, and various income, common stock and international equity funds.

Participants are not entitled to the Non-Qualified Plan benefits prior to their date of employment termination. The benefits under the Non-Qualified Plan upon a participant's retirement, disability or termination of employment are paid either as a single lump sum or substantially equal installments over a period of not less than three nor more than ten years as elected by the participant. Upon death of a participant, his or her named beneficiary(ies) will receive such participant's benefits payable under the Non-Qualified Plan.

Each investment is subject to market risk. The degree of market risk varies by investment type based upon the nature of the applicable underlying net assets.

The following table shows the contributions, earnings and year-end balances for 2007 with respect to non-qualified deferred compensation plans for the named executive officers:

Potential Payments upon Termination or Change in Control

Supplemental Executive Retirement Agreements. On July 27, 1990, United entered into a Supplemental Retirement Agreement (“SERP”) with Mr. Richard M. Adams. The agreement was amended on November 1, 2001. This amended agreement provides for an annual supplemental retirement benefit upon his reaching age 65 or upon the later termination of his employment with United or an affiliated or successor entity to United, whichever last occurs. The annual benefit will be equal to seventy percent (70%) of the average of Mr. R. Adams' three highest

base salaries, reduced by benefits actuarially calculated at the time the supplemental retirement benefit becomes payable under (i) the United Pension Plan; (ii) Social Security; and (iii) the United Savings and Stock Investment Plan. The amended agreement also provides for reduced benefits for early retirement before age 65 as well as payments to his spouse or his estate if unmarried in the event of his death. The benefits under the amended agreement are fully vested in Mr. R. Adams and survive his termination of employment from United or an affiliated or successor entity to United for whatever reason, including but not limited to, change in control, dismissal with or without cause, voluntary termination, expiration of contract or disability.

On October 1, 2003, United entered into Supplemental Retirement Agreements with the named executive officers, Richard M. Adams, Jr., James J. Consagra, Jr., James B. Hayhurst, and Steven E. Wilson to encourage them to remain an employee of United.

The SERP for Messrs. James B. Hayhurst, Jr. and Steven E. Wilson ensures that each of these participating executive officers, when retiring at age 65 or later, receives a level of retirement benefits, without regard to years of service, equal to 70% of the executive officer's total base salary projected to be in effect at age 65 and is updated each January 1 by United. At the time one of these participating executive officers retires, the benefit the participant is entitled to through the SERP is calculated, and then funds from the following sources are deducted to determine the amount, if any, of the payment due under the SERP (i) the benefit under the Pension Plan; (ii) Social Security benefits payable; and (iii) any benefits under United's Savings and Stock Investment Plan. The annual benefit will be paid monthly for a period of fifteen years. The executive may retire early at the age specified in the SERP and receive a benefit equal to 60% of the executive's final pay based on the same provisions set forth above.

The SERP for Mr. James J. Consagra, Jr. and Mr. Richard M. Adams, Jr. ensures that each will receive, at the age set forth in the SERP, an annual benefit equal to \$100,000, paid in monthly installments for a period of 15 years. If Mr. Consagra or Mr. R. Adams, Jr. retires or leaves employment early, the executive will receive an accrual benefit set forth in a Schedule to the SERP, subject to a ten (10) year vesting schedule. This early termination benefit will be paid monthly for a period of fifteen (15) years.

Change of Control Agreements. In March of 1994, United entered into agreements with named executive officers Steven E. Wilson and James B. Hayhurst, Jr. to encourage those executive officers not to terminate their employment with United because of the possibility that United might be acquired by another entity. In August of 2000, United entered into similar change of control agreements with named executive officers Richard M. Adams, Jr. and James J. Consagra, Jr. The Board of Directors determined that such an arrangement was appropriate, considering the entry of large regional bank holding companies into West Virginia. The agreements were not undertaken in the belief that a change of control of United was imminent.

Generally, the agreements provide severance compensation to those officers if their employment should end under certain specified conditions after a change of control of United. Compensation is paid upon any involuntary termination following a change of control unless the officer is terminated for cause. In addition, compensation will be paid after a change of control if the officer voluntarily terminates employment because of a decrease in the total amount of the officer's base salary below the level in effect on the date of consummation of the change of control, without the officer's consent; a material reduction in the importance of the officer's job responsibilities without the officer's consent; geographical relocation of the officer without consent to an office more than fifty (50) miles from the officer's location at the time of a change of control; failure by United to obtain assumption of the contract by its successor or any termination of employment within thirty-six (36) months after consummation of a change of control which is effected for any reason other than good cause.

Under the agreements, a change of control is deemed to occur in the event of a change of ownership of United which must be reported to the Securities and Exchange Commission as a change of control, including but not limited to the acquisition by any "person" (as such term is used in Sections 13(d) and 14(d) of the Securities and Exchange Act of 1934 (the "Exchange Act")) of direct or indirect "beneficial ownership" (as defined by Rule 13d-3 under the Exchange Act) of twenty-five percent (25%) or more of the combined voting power of United's then

outstanding securities, or the failure during any period of two (2) consecutive years of individuals who at the beginning of such period constitute the Board for any reason to constitute at least a majority thereof, unless the election of each director who was not a director at the beginning of such period has been approved in advance by directors representing at least two-thirds (2/3) of the directors at the beginning of the period.

Under the agreements, severance benefits include: (a) cash payment equal to the officer's monthly base salary in effect on either (i) the date of termination; (ii) the date immediately preceding the change of control, whichever is higher, multiplied by the number of full months between the date of termination and the date that is thirty-six (36) months after the date of consummation of the change of control; (b) payment of cash incentive award, if any, under United's Incentive Plan; and (c) continuing participation in employee benefit plans and programs such as retirement, disability and medical insurance for a period of thirty-six (36) months following the date of termination.

The agreements do not affect the right of United to terminate the officer, or change the salary or benefits of the officer, with or without good cause, prior to any change of control; provided, however, any termination or change which takes place after discussions have commenced which result in a change of control will be presumed to be a violation of the agreement and will entitle the officer to the benefits under the agreement, absent clear and convincing evidence to the contrary.

The following table shows the potential incremental value transfer to each named executive under various employment scenarios. The table was prepared as though each named executive officer's employment was terminated on December 31, 2007 (the last business day of 2007). The amounts under the row labeled "If Change in Control (CIC) Termination Occurs during FY 2007" assume that a change in control occurred on December 31, 2007. We are required by the Securities and Exchange Commission to use these assumptions. With those assumptions taken as a given, the Company believes that the remaining assumptions listed in the footnotes below, which are necessary to produce these estimates, are reasonable in the aggregate. However, the executives' employment was not terminated on December 31, 2007, and a change in control did not occur on that date. There can be no assurance that a termination of employment, a change in control or both would produce the same or similar results as those described if either or both of them occur on any other date or at any other price, or if any assumption is not correct in fact.

Footnotes:

- (1) The benefits listed in the row entitled "If Change in Control (CIC) Termination Occurs during FY 2007" are payable upon the happening of any of the following events after a change in control: (i) involuntary termination unless the officer is terminated for cause; (ii) voluntarily termination of the officer's employment because of (A) a decrease in the total amount of the officer's base

salary below the level in effect on the date of consummation of the change of control, without the officer's consent, (B) a material reduction in the importance of the officer's job responsibilities without the officer's consent, (C) geographical relocation of the officer without consent to an office more than fifty (50) miles from the officer's location at the time of a change of control, (D) failure by United to obtain assumption of the contract by its successor; or (iii) any termination of employment within thirty-six (36) months after consummation of a change of control which is effected for any reason other than good cause.

- (2) Mr. R. Adams' severance benefit under an involuntary not for cause termination, involuntary or good reason termination for a CIC, death or disability is equal to 5 times his base salary. If the termination for cause is based solely upon (i) excessive absenteeism without approval by United, not caused by disability, (ii) or gross or willful neglect of duty resulting in some substantial loss to United after Mr. R. Adams has been given written direction and reasonable time to perform such duties, (iii) any acts or omissions on the part of Mr. R. Adams which when proven constitute fraud or commission of any criminal act involving the person or property of others or the public generally, or any combination of the above, United must pay Mr. R. Adams' base salary only up until termination. Otherwise, if Mr. R. Adams is terminated for any other cause, his severance benefit is equal to 5 times his base salary. Mr. R. Adams is entitled to a 280G Gross-Up Payment for amounts paid by the Company subject to an excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended (the amount is estimated based on current information) under an involuntary not for cause termination, involuntary or good reason termination for a CIC, death or disability. Upon a CIC, Mr. R. Adams' unvested options would immediately vest. Assuming the CIC occurred on December 31, 2007, the value of Mr. R. Adams' stock options would have been \$7,500 which was calculated using the difference between the price per share of the Company's stock on the date of CIC (\$28.02 per share) and the option exercise price (\$27.77) multiplied by the number of options that would have vested (30,000). If Mr. R. Adams becomes completely disabled, he is eligible for disability benefits of \$23,779 per month up until age 65. Mr. R. Adams is fully vested in the benefits under his SERP Agreement for CIC, dismissal with or without cause, voluntary termination, expiration of contract or disability. Upon Mr. R. Adams' death, his named beneficiary(ies) will receive a benefit of \$1,000,000 from a company-paid life insurance policy.
- (3) Mr. S. Wilson's severance benefit for a CIC is equal to 3 times his base salary. Also, Mr. S. Wilson is entitled to receive his reasonable share of the Company's cash incentive award (up to 55% of his base salary) allocated in accordance with existing principles and authorized by the Board of Directors, and to participate in health care, life insurance and disability prerequisites for 36 months following a CIC. Upon a CIC, Mr. S. Wilson's unvested options would immediately vest. Assuming the CIC occurred on December 31, 2007, the value of Mr. S. Wilson's stock options would have been \$1,250 which was calculated using the difference between the price per share of the Company's stock on the date of CIC (\$28.02 per share) and the option exercise price (\$27.77) multiplied by the number of options that would have vested (5,000). If Mr. S. Wilson becomes completely disabled, he is eligible for disability benefits of \$10,000 per month up until age 65. Upon Mr. S. Wilson's death, his named beneficiary (ies) will receive a benefit of \$644,000 from a company-paid life insurance policy.
- (4) Mr. Hayhurst's severance benefit for a CIC is equal to 3 times his base salary. Also, Mr. Hayhurst is entitled to receive his reasonable share of the Company's cash incentive award (up to 40% of his base salary) allocated in accordance with existing principles and authorized by the Board of Directors and to participate in health care, life insurance and disability prerequisites for 36 months following a CIC. Upon a CIC, Mr. Hayhurst's unvested options would immediately vest. Assuming the CIC occurred on December 31, 2007, the value of Mr. Hayhurst's stock options would have been \$2,500 which was calculated using the difference between the price per share of the Company's stock on the date of CIC (\$28.02 per share) and the option exercise price (\$27.77) multiplied by the number of options that would have vested (10,000). If Mr. Hayhurst becomes completely disabled, he is eligible for disability benefits of \$10,000 per month up until age 65. Upon Mr. Hayhurst's death, his named beneficiary (ies) will receive a benefit of \$544,000 from a company-paid life insurance policy.
- (5) Mr. Consagra's severance benefit for a CIC is equal to 3 times his base salary. Also, Mr. Consagra is entitled to receive his reasonable share of the Company's cash incentive award (up to 40% of his base salary) allocated in accordance with existing principles and authorized by the Board of Directors and to participate in health care, life insurance and disability prerequisites for 36 months following a CIC. Upon a CIC, Mr. Consagra's unvested options would immediately vest. Assuming the CIC occurred on December 31, 2007, the value of Mr. Consagra's stock options would have been \$2,500 which was calculated using the difference between the price per share of the Company's stock on the date of CIC (\$28.02 per share) and the option exercise price (\$27.77) multiplied by the number of options that would have vested (10,000). If Mr. Consagra becomes completely disabled, he is eligible for disability benefits of \$10,000 per month up until age 65. Upon Mr. Consagra's death, his named beneficiary (ies) will receive a benefit of \$625,000 from a company-paid life insurance policy.
- (6) Mr. R. Adams, Jr.'s severance benefit for a CIC is equal to 3 times his base salary. Also, Mr. R. Adams, Jr. is entitled to receive his reasonable share of the Company's cash incentive award (up to 40% of his base salary) allocated in accordance with existing principles and authorized by the Board of Directors and to participate in health care, life insurance and disability prerequisites for 36 months following a CIC. Upon a CIC, Mr. R. Adams, Jr.'s unvested options would immediately vest. Assuming the CIC occurred on December 31, 2007, the value of Mr. R. Adams, Jr.'s stock options would have been \$2,500 which was calculated using the difference between the price per share of the Company's stock on the date of CIC (\$28.02 per share) and the option exercise price (\$27.77) multiplied by the number of options that would have vested (10,000). If Mr. R. Adams, Jr. becomes completely disabled, he is eligible for disability benefits of \$10,000 per month up until age 65. Upon Mr. R. Adams, Jr.'s death, his named beneficiary (ies) will receive a benefit of \$513,000 from a company-paid life insurance policy.

- (1) Amounts reflect United's expense for stock options recognized in 2007 in accordance with SFAS 123R. The expense was calculated using a binomial lattice option pricing model based on a weighted-average fair value of \$7.06 per option granted in 2007. The weighted-average assumptions used in determining the valuation of these options using this methodology were as follows: average expected option life of 5.89 years; risk-free interest rate of 4.09%; volatility factor of 0.2954; and a dividend yield of 3.00%. No other expense for stock options was recognized in 2007 from prior grants as all those options were vested prior to December 31, 2005 and no options were granted in 2006. The grant date fair value under FAS 123R for the 2007 stock options awarded is \$38,830 and is based on the closing price of \$27.77 for a share of United's common stock on November 1, 2007.

PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Subject to ratification by United's shareholders, United's Audit Committee has selected Ernst & Young LLP ("Ernst & Young"), Charleston, West Virginia as the independent registered public accounting firm for United to audit the consolidated financial statements of United and its subsidiaries for the fiscal year ending December 31, 2008. Ernst & Young has audited the financial statements of United and its subsidiaries since 1986.

Representatives of Ernst & Young will be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so. Such representatives of the firm will be available to respond to appropriate shareholder inquiries at the Annual Meeting.

The affirmative vote of a majority of votes cast on this proposal is required for the approval of this proposal. In determining whether the proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be disregarded and will have no effect on the outcome of the vote.

Shareholder ratification of the selection of Ernst & Young as our independent registered public accounting firm is not required by our Bylaws or otherwise. However, the Board of Directors is submitting the selection of Ernst & Young to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will terminate Ernst & Young as the Company's independent registered public accounting firm and direct the appointment of a different firm. Even if the selection is ratified, the Audit Committee and the Board of Directors in their discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its shareholders.

The Audit Committee and the Board of Directors recommends a vote "FOR" the ratification of Ernst & Young as the independent registered accounting firm for United.

AUDIT COMMITTEE AND INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Audit Committee Report

The United Bankshares, Inc. Audit Committee reviews United's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal control. United's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the audited financial statements with U.S. generally accepted accounting principles and on the effectiveness of internal control over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management and the independent registered public accounting firm the 2007 audited financial statements. This discussion included the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as Amended by Statement on Auditing Standards, No. 90, Communications with Audit Committees. In addition, the Audit Committee received from the independent registered public accounting firm the written disclosures and the letter required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. The Audit Committee determined that the nonaudit services provided to the Company by the independent registered public accounting firm are compatible with the auditors' independence.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements and management's report on the effectiveness of internal control over financial reporting be included in United's Annual Report on Form 10-K for the year ended December 31, 2007, for filing with the Securities and Exchange Commission.

No member of the Audit Committee is a former or current officer or employee of United.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee has delegated to the Chair of the Audit Committee authority to pre-approve permitted services provided that the Chair reports any decisions to the Committee at its next scheduled meeting. During 2007 and 2006, all services related to the audit, audit-related and tax fees described below provided by Ernst & Young LLP were pre-approved by the Audit Committee.

Independent Registered Public Accounting Firm Fees Information

Audit Fees. Fees for audit services were \$723,300 in 2007 and \$666,000 in 2006, including fees associated with the annual audit, the reviews of United's quarterly reports on Form 10-Q and annual report on Form 10-K, and required statutory audits as well as the audit of management's assertion on the effectiveness of internal control over financial reporting.

Audit-Related Fees. Fees for audit-related services were \$97,400 in 2007 and \$95,900 in 2006. Audit-related services principally include audits of certain subsidiaries, employee benefit plans, and other attest services not classified as audit.

Tax Fees. Fees for tax services, including tax compliance, tax advice and tax planning were \$101,400 in 2007 and \$77,600 in 2006.
