FORWARD-LOOKING STATEMENTS

This presentation may contain forward-looking statements with respect to Fulton Financial Corporation's financial condition, results of operations and business. Do not unduly rely on forward-looking statements. Forward-looking statements can be identified by the use of words such as "may," "should," "will," "could," "estimates," "predicts," "potential," "continue," "anticipates," "believes," "plans," "expects," "future," "intends" and similar expressions which are intended to identify forward-looking statements. Management's "2016 Outlook" contained herein is comprised of forward-looking statements.

Forward-looking statements are not guarantees of future performance and are subject to risks and uncertainties, some of which are beyond the Corporation's control and ability to predict, that could cause actual results to differ materially from those expressed in the forward-looking statements. The Corporation undertakes no obligation, other than as required by law, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

A discussion of certain risks and uncertainties affecting the Corporation, and some of the factors that could cause the Corporation's actual results to differ materially from those described in the forward-looking statements, can be found in the sections entitled "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2015 and Quarterly Reports on Form 10-Q for the quarters ended March 31, 2016 and June 30, 2016, which have been filed with the Securities and Exchange Commission and are available in the Investor Relations section of the Corporation's website (www.fult.com) and on the Securities and Exchange Commission's website (www.sec.gov).

The Corporation uses certain non-GAAP financial measures in this presentation. These non-GAAP financial measures are reconciled to the most comparable GAAP measures at the end of this presentation.

The following outlook remains unchanged from prior quarter:

- **Loans & Deposits:** Annual average growth rate in the mid- to high-single digits
- **Asset Quality:** Provision driven primarily by loan growth
- **Non-Interest Income (Excluding Securities Gains):** Mid- to high-single digit growth rate
- **Non-Interest Expense (Excluding Loss on Redemption of TruPS):** Low- to mid-single digit growth rate
- **Capital:** Focus on utilizing capital to support growth and provide appropriate returns to our shareholders
- **Net Interest Margin:** Absent any further rate increases, expect low-single digit quarterly compression

NON-GAAP RECONCILIATION

Note: The Corporation has presented the following non-GAAP (Generally Accepted Accounting Principles) financial measures because it believes that these measures provide useful and comparative information to assess trends in the Corporation's results of operations and financial condition. Presentation of these non-GAAP financial measures is consistent with how the Corporation evaluates its performance internally and these non-GAAP financial measures are frequently used by securities analysts, investors and other interested parties in the evaluation of companies in the Corporation's industry. Investors should recognize that the Corporation's presentation of these non-GAAP financial measures might not be comparable to similarly-titled measures of other companies. These non-GAAP financial measures should not be considered a substitute for GAAP basis measures and the Corporation strongly encourages a review of its condensed consolidated financial statements in their entirety.
